Reply to Office action of May 21, 2003**

**Amendments to the Drawings:**

The two attached sheets of drawings includes changes to Figures 1 and 8. The first sheet, which includes Fig. 1, replaces the original sheet including Fig. 1, and includes the box labels requested by the Examiner. The second sheet, which includes Fig. 8, relabeled the Y axis of the graph to more clearly recite the nature of the data and removes the standard line, which seemed to cause some confusion.
